Subject: Agreements in the Child and Adult Care Food Program (CACFP):  
Reauthorization 2004 Implementation Memo

To: STATE AGENCY DIRECTORS - Colorado DPHE, Iowa, Kansas, Missouri DH,  
Montana DPHHS, Nebraska, North Dakota  
South Dakota, Utah and Wyoming

The Child Nutrition and WIC Reauthorization Act of 2004, (Public Law 108-265), provides for the use of permanent CACFP agreements between sponsoring organizations (SO) and family or group day care homes. These agreements record specific rights and responsibilities of sponsoring organizations and the family or group day care homes that participate in CACFP under their supervision.

To implement this new provision, State Agencies (SA) may require SOs to amend their current agreement or execute a new permanent agreement. Although this provision went into effect on June 30, 2004, the date of enactment, sponsors do not need to revise currently valid agreements, but must make all agreements permanent as they are updated or revised. All day care homes must have a permanent agreement in place no later than July 1, 2005.

The law further stipulates that either party to the permanent agreement may still terminate the agreement. Thus, although the agreement is permanent, it does not remove the right of the SO to terminate a family or group day care home for cause (i.e. expired license, etc.) or convenience, nor does it remove the right of a day care home provider to change sponsors in accordance with current Regulations. Should a family or group day care home be out of Program compliance, the SO would follow the serious deficiency process. SOs will continue to be permitted to amend the permanent agreement when there is a change in program policy or meal services. SAs and SOs are reminded that permanent agreements must stipulate that Program payments are conditional contingent upon the availability of Federal funds.
